

## Frank Phillips College

### Adopt-A-Student Program

The Frank Phillips College Adopt-A-Student Program is administered by FPC and coordinated by the College Ministry of First Baptist Church of Borger.

Students from out-of-area as well as international students are given the opportunity to be “adopted” by local residents. Adoptive parents may send a card or package a few times a semester, take their student(s) home for dinner or to an event (even a local high school sports event), or just spend time with them.

It is not a huge financial or time commitment; however, it is making a commitment to make a difference in a student’s life, especially if they are far from home.

**For more information on the FPC Adopt-A-Student Program, call:**
