

## **Graduation**

Frank Phillips College awards the Associate in Applied Science, Associate in Arts, Associate in Science, Associate of Arts in Teaching, and Associate of Arts in Music Field of Study degrees. In addition, FPC awards Career/Technical certificates.

### **Graduation Under a Particular Catalog**

Catalog graduation requirements are based upon the year a student enters Frank Phillips College. These catalog requirements will remain in effect for up to five years as long as the student completes course work in at least one semester of each school year beginning with the fall semester. If the student does not complete courses in any one of the four semesters during the school year, the student's new graduation requirements will be those in effect for the year the student reenters Frank Phillips College. A student may move to a newer catalog but will be responsible for fulfilling all requirements. No substitutions to core curricula requirements will be made.

### **General Requirements for Graduation**

The student must:

1. Meet the entrance requirements of the College;
2. complete the specific course requirements for a degree or certificate with a minimum cumulative grade point average of 2.0;
3. earn at least 25 percent of the required credit hours through Frank Phillips College;
4. complete an Application for Graduation in the Office of Educational Services;
5. discharge all financial obligations to the college prior to graduation;
6. meet all TSI requirements, if applicable; and
7. participate in graduation exercises. (All students are encouraged to participate in graduation exercises. Students working toward associate degrees are eligible to participate in graduation exercises when they earn a minimum of fifty [50] credit hours; awarding of the final degree occurs when all courses are completed.)

### **Procedures to Apply for Graduation**

Students entering their final semester toward completing a degree or certificate should complete an Application for Graduation in the Office of Educational Services between January 10 and two weeks before the end of the spring semester. Students who do not apply for graduation may still be awarded the earned certificate or degree but will not be eligible to participate in graduation ceremonies. Application for graduation includes verification of:

- a cumulative grade point average equal to or above 2.0;
- a completed degree plan and transcripts on file for the degree or certificate;
- a determination of the remaining credits that must be earned; and
- measurements for cap and gown.
