## Standard Health Protocol due to COVID-19

### CHECKLIST FOR ALL INDIVIDUALS ATTENDING A FACILITY OR SPONSORED EVENT

The following are the minimum recommended health protocols for all individuals in Texas. Frank Phillips College has adopted these minimum health protocols for campus facility use. These protocols are in place and consistent with the specific needs and circumstances to help protect the health and safety of all Frank Phillips College community members.

*The virus that causes COVID-19 can be spread to others by infected persons who have few or no symptoms. Even if an infected person is only mildly ill, the people they spread it to may become seriously ill or even die, especially if that person is 65 or older with pre-existing health conditions that place them at higher risk. Because of the hidden nature of this threat, everyone should rigorously follow the practices specified in these protocols, all of which facilitate a safe and measured reopening of Texas. The virus that causes COVID-19 is still circulating in our communities. We should continue to observe practices that protect everyone, including those who are most vulnerable.*

Please note, public health guidance cannot anticipate every unique situation. Individuals should stay informed and take actions based on common sense and wise judgment that will protect health and support economic revitalization.

### Health Protocols for Individuals: Place a check mark in the box.

I agree to maintain at least 6 feet separation from other individuals not within the same household. If such distancing is not feasible, other measures such as face covering, hand hygiene, cough etiquette, cleanliness, and sanitation should be rigorously practiced.

I currently am experiencing one or more of the following signs or symptoms:

- |  |  |
|--|--|
| <input type="checkbox"/> Cough                                       | <input type="checkbox"/> Sore throat   |
| <input type="checkbox"/> Shortness of breath or difficulty breathing | <input type="checkbox"/> Loss of taste or smell  |
| <input type="checkbox"/> Chills                                      | <input type="checkbox"/> Diarrhea  |
| <input type="checkbox"/> Repeated shaking with chills                | <input type="checkbox"/> Feverish or a measured temperature $\geq 100.0^{\circ}\text{F}$                             |
| <input type="checkbox"/> Muscle pain                                 | <input type="checkbox"/> Known close contact with a person confirmed to have or had COVID-19 within the last 14 days |
| <input type="checkbox"/> Headache                                    |  |

By my signature, I acknowledge that I have read, understand, and answered honestly and to the best of my ability to the policies and procedures of Frank Phillips College Standard Health Protocol due to COVID-19 checklist.
