

2nd Quarter Advisory Council minutes from Wednesday, January 29, 2020

Present: Barry Willis, Ronnie Watson, Amber Jones, Lisa Yauck, and Rene' Schwalk.

Next Meeting will be on April 29, 2020

Old Business

Greenhouse- Amber mentioned that she is going to put the greenhouse up for bid. She will advertise in the Newspaper. The buyer will be in charge of removing the greenhouse at their cost.

Barry Willis asked about the ventilators that were in the garage and if it could be used for the welding room.

Amber mentioned that the college would be removing the sink from the lab room and adding a wash station in there.

New Business

Talked about OGH and the LVN program.

WTAMU room that captures students with Associate degrees and help them get their Bachelor's degree with minimal classes.

Introduced new DLR Monitors

Amber is thinking about going on the TCOLE trip with Bethany to see if there is something, she can learn more about doing here on campus.

Pathways fundraiser in April. Enchiladas will be served this year.

We have 31 dual credit pathways seniors are taking 76 classes.

Waiting on approval for a CDL driving course.

Spring registration - 138 students before the purge. Record-breaking semester.

Amber is starting the new budget for next year.
