

# Exposure to COVID-19

Have you had close contact with a person who tested positive for COVID-19?

**A close contact is someone who:**

- Lives in the same house as a sick person with COVID-19.
- Cares for a sick person with COVID-19.
- Has been within 6 feet of a sick person with COVID-19 for 15 minutes or longer in a 24-hour period.
- Has been in direct contact with secretions from a sick person with COVID-19.

**If you have had exposure:**

- Contact Jason Price, if comfortable doing so, at [jprice@fpctx.edu](mailto:jprice@fpctx.edu) or 806-457-4287 to report your exposure.
  - Watch for cough or trouble breathing.
  - Wear a mask for 10 days after exposure.
  - If you develop symptoms GO HOME and inform both Jason Price and Jody Nolen.

**If you have not had exposure:**

**Continue to conduct daily health assessments and maintain good hygiene and prevention standards including washing hands, wearing a face cover, maintaining 6 feet of physical distance, cleaning and disinfecting common spaces before and after use.**
