

Exposure to COVID-19

Have you had close contact with a person who tested positive for COVID-19?

A close contact is someone who:

- Lives in the same house or residence hall room as a sick person with COVID-19.
- Cares for a sick person with COVID-19.
- Has been within 6 feet of a sick person with COVID-19 for 15 minutes or longer in a 24-hour span.
- Has been in direct contact with secretions from a sick person with COVID-19.

If you have had exposure:

- Contact the Jason Price, if comfortable to do so, at jprice@fpctx.edu or 806-457-4287 to report your exposure.
- Watch for cough or trouble breathing.
- Wear a mask for 10 days after exposure
- If you develop symptoms, GO HOME and report this to Jason Price and your teachers.

If you are quarantined:

Frank Phillips College will work with you during your quarantine, providing a wide range of support services including:

- Logistical support for remote coursework.
- Meal and laundry options for any residence housing student during a quarantine.
- Information regarding mental and physical health resources.

Make sure to keep open communications with your professors on your absence!

If you have not had exposure:

Continue to conduct daily health assessments and maintain good hygiene and prevention standards including washing hands, wearing a face cover, maintaining 6 feet of physical distance, cleaning and disinfecting common spaces before and after use.
