

Telecommunicator Workshop

Location: Frank Phillips College, Borger TX

When: November 20th and 21st, 2023, 8am-5pm

Borger Regional Communications Center is proud to bring you a FREE two-day workshop focused on training strictly for dispatcher needs.

Trainings will be broken into 2, 4 and 8 hour increments with the dispatcher being able to choose among them. This is designed so that multiple people from a single agency may attend.

Among the trainings offered will be SAFVIC (Sexual Assault Family Violence for TCs)- **this class MUST be preregistered for**, a goal setting work shop, networking opportunities, Leadership, Wildland Fire Dispatching, Dispatchers and Burn Out as well as other break out sessions and trainings
