

Frank Phillips College offers a variety of degrees and certificates. Associate in Arts and Associate in Science degrees are not awarded in particular areas of concentration. However, students are encouraged to select a degree plan that complements their area of focus so that they have the best possible foundation if they intend to major in that area at a four-year college or university.

Program Name	CIP Code	Award*
Agriculture		
Farm/Farm and Ranch Management	01.0104	Associate in Applied Science, Certificate of Completion
Diesel Mechanic		
Basic Diesel Technology	47.0605	Certificate of Completion
Advanced Diesel Technology and Equipment	47.0605	Certificate of Completion
Advanced Diesel Transportation	47.0605	Certificate of Completion
Cosmetology		
Cosmetology/Cosmetologist, General	12.0401	Certificate of Completion
Nail Technician/Specialist and Manicurist	12.0410	Certificate of Completion
Cosmetology, Barber/Styling, and Nail Instructor	12.0413	Certificate of Completion
Barber	12.0402	Certificate of Completion
Instrumentation and Electrical		
Instrumentation and Electrical Technology	15.0404	Associate in Applied Science
Electrical Technology	15.0404	Certificate of Completion
Instrumentation Technology	15.0404	Certificate of Completion
Pump & Engine Technology	15.0404	Certificate of Completion
Process Technology	15.0612	Associate in Applied Science, Certificate of Completion
Licensed Vocational Nursing		
Licensed Practical/Vocational Nurse Training	51.3901	Certificate of Completion
Welding		
Welding Technology/Welder, General	48.0508	Certificate of Completion
Pipe Fitting Specialist	48.0508	Certificate of Completion
Industrial Welding Enhanced Skills	48.0508	Certificate of Completion
General Studies		
General Studies	24.0102	Associate in Arts, Associate in Science
Education, 4-8	13.1203	Associate in Arts Teaching
Education, 8-12	13.1205	Associate in Arts Teaching
Special Education EC-12	13.1206	Associate in Arts Teaching
Education, EC-6	13.1210	Associate in Arts Teaching
